Respected Ma'am

My name is **Shreeya Rewatkar**, and I am writing to apply for the **front-end developer role** at **Google**. I am currently pursuing **B.Tech in Computer Science Engineering** and am eager to gain hands-on experience in a professional environment.

I have attached my **resume** (and any other document if applicable) for your review. I am confident that my interest in learning, strong work ethic, and foundational skills make me a good fit for this internship.

I would be grateful for an opportunity to contribute and learn from your team.
Please let me know if any further information or documents are required.

Thank you for your time and consideration.

Warm regards,
Shreeya Rewatkar
